Tucker Fellowship

The Center for Applied Linguistics invites applications for the 2009 G. Richard Tucker Fellowship. During the period of June 2009 through May 2010, including a four-week residency at CAL in Washington, DC, the Fellow will interact with senior staff members on one of CAL's existing research projects or on a suitable project suggested by the Fellow. The fellowship pays a stipend plus travel expenses. Priority will be given to proposals that focus on all types of language education and testing or on language issues related to minorities in the United States or Canada.

The competition is open to candidates for a master's or doctoral degree in any field that is concerned with the study of language. Minorities are especially encouraged to apply. Applicants must be currently enrolled in a degree program in the United States or Canada and must have completed the equivalent of at least one year of full-time graduate study. Applications must be received on or before April 13, 2009. For further information contact Yvette Buck at the Center for Applied Linguistics, 4646 40th Street, NW, Washington, DC 20016.
