

## Part III: Parent Education in Family Literacy Programs

Part III presents information about parent education as one of the four components of family literacy. Parent education is designed to help parents improve their skills at being the primary teacher for their children and become full partners in the education of their children.

This section begins with a brief description of family literacy, explains the goals and structure of parent education, offers strategies for implementing parent education, and provides activities that parents can engage in with their children at home and in their communities.
