

Jayci's situation illustrates,

A lot of people would say that an injury like Jayci's is an intractable problem,

Jayci has many attributes

Everyone has to deal with some adversity in their life.

Jayci aspires to overcome her current limitations.

Jayci maintains an optimistic outlook despite her difficult situation.

Although her accident profoundly

Jayci's ability to walk again depends on two factors,

The physical therapists at Project Walk emphasize,

Seeing other patients at Project Walk learn to walk again motivates Jayci to keep trying.
