### **Unit 3: Learning a second language**

Day 6: Using the words in context: interviews and personal narratives

Name of the person I interviewed \_\_\_\_\_

1. What is your first language?
2. What is your second language?
3. What are some things that have facilitated your learning of a second language?
4. What are some ways that you use your second language now?  
Describe a recent interaction where you used your second language.
5. Do you consider yourself a competent speaker of your second language? Why or why not?
6. Would you prescribe second language classes for all students? Why or why not?
