

For example, victims of bullies could make sure they are always with a friend. They could ignore the bullies and walk away. Or they could learn to firmly tell the bullies to stop.

Breaking up fights between students, meeting with parents of students who have bullied others, and placing bullies in in-school suspension are all examples of interventions that teachers may use.

Kendra feels **tormented** by all of these forms of cruel behavior and she wants help, but she is embarrassed to tell her parents or her teachers.
